Book, Music and Lyrics by: **MEREDITH WILLSON**

Story By:

MEREDITH WILLSON and FRANKLIN LACEY

Synopsis: There's trouble in River City! When smooth-talking con man Harold Hill arrives in a small, tight-knit town in Iowa, he expects to dupe its residents with his elaborate moneymaking scheme: Despite his complete lack of musical literacy, he will convince everyone that he is a brilliant bandleader and recruit all the boys in town to form a band, pocketing the cash for instruments and uniforms. The problem? Some of the town members, especially the stern librarian, Marian Paroo, don't quite buy Harold's story. As Harold struggles to keep his scheme afloat, he also finds himself increasingly attached to the townspeople, who have all experienced a positive change since Harold came to town. Complicating matters even more, Harold is also falling head-over-heels for the beautiful Marian.
